Dear Friends and EUROTAS members present at the Munsbach Castle Meeting in May 2001.

THIS IS A NOTE TO WHICH WE BEG YOU TO REPLY.

What a very special meeting with so many important issues and so many deep revelations! It seemed as if most of us enjoyed it and found it special too. Many good things will develop from it.

You may click here for the minutes of the EUROTAS meeting in Luxembourg which have been agreed by your Board and also the latest Bylaws and Constitution Documents. Please send any amendments as soon as you can and at the latest by the end of June so that we can agree the note as a correct representation of what we discussed. Please also send any comments on the meeting or thoughts about the future of EUROTAS so that they can be included in the next newsletter by 23 June. If you have further thoughts about EUROTAS please send them too.

Finally PLEASE SEND UPDATED MATERIAL INCLUDING YOUR PERSONAL PAGE, YOUR ASSOCIATION'S VIEWS AND NEWS AND ALSO YOUR ARTICLES AND NEWS OF PUBLICATIONS WHICH WE CAN ALSO PUT ON THE WEB PAGE.

As ever
