

Eurotas Newsletter

The EUROTAS Annual Delegate Conference
Lisbon, Portugal. May 15-19, 2002

Please put the dates in your diary again for our annual meeting which will take place in Portugal from Wednesday evening the 15th May until lunch time on Sunday 19th May. The Portuguese Transpersonal Association, Alubrat, will be our host and has found an exciting venue. Vitor Rodrigues writes: We have at last found the ideal place near Lisbon and in a very green area. It is an old seminary run by the church and with all comfort and features for presentations (including a data show!), gardens, 44 double bedrooms and four single rooms. It is very reasonably priced - room and all meals will cost 20 Euros a night. There are other reasonable hotels nearby. The Programme of Events has now been finalised and is outlined below.

Your participation is welcomed and encouraged! Please fill out the sign up form for the conference which may be accessed via the link below!
